

Essential Church History (Paperback)

Filesize: 9.38 MB

Reviews

It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ESSENTIAL CHURCH HISTORY (PAPERBACK)

Resource Publications Inc, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: Essential Church History is an interesting, informative, and consistently readable narrative of the church. It brings to life central people and dramatic events that shaped the Christian religion-including the formation of the canon, the Arian controversy, the Crusades, and the Reformation period. Adam Murrell skillfully shows how the Bible, the believer's ultimate authority, must remain at the forefront in order for the church to be guided into truth. When that authority is abandoned or forsaken, however, the consequences are always devastating, as witnessed in the errors of Arianism, Pelagianism, holy wars, the moral bankruptcy of the medieval church, and liberal Protestantism. Essential Church History will serve as a fascinating introduction to the panoramic history of Christianity, all the while providing biblical truths for students and teachers of church history, for pastors, and for general readers. Endorsements: The history of the church is a long and complex story, and many beginners are stymied by the sheer scope of it. It is not always easy to trace the advance of the gospel through the maze of ecclesiastical movements, individual fanatics, unorthodox ideas, cults, crusades, and human institutions that clutter church history. But here's an immensely helpful summary that will give you a head start and help make sense of it all. Adam Murrell's own deep love for the church and his commitment to faithful, biblical doctrine shine through. This is a superb introduction to church history. --Phil Johnson Executive Director Grace to You This introductory work combines a knowledge of church history with an acute insight into the significance of its various plot lines, events, and characters. Adam Murrell has provided a helpful resource for those of us interested...
