

Yield (Paperback)

By Cari Silverwood

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Yield is the last book in the Pierced Hearts series. Wren, the rich girl with a tainted past, is on a crusade to track down her father's murderer only to find not one, but two, bad men. Moghul is a sadist and businessman, with a finger in every kinky enterprise he can get his hands on and a jaded view on life. When his eye turns to Wren, he realises how dull life has been. He hasn't tried everything after all. When they can't say no, things might be more interesting. Glass is the dominating ex-SAS soldier. Each man is determined to keep Wren for himself using methods that may be illegal, immoral, or likely to make somebody feel the pain for a long, long time. If you lie down with bad men, be prepared to get up on your knees. The ending will be the reader's decision. Give Wren to the dark or to the light, then read the other ending if you wish to. This is a dark erotic story and some readers may find it disturbing.
