Pesda Press, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. At last, here it is .Scotland s first guidebook for sea kayakers wishing to explore its amazing coastline and magical islands. It brings together a selection of fifty great sea voyages around the mainland of Scotland, from the Mull of Galloway in the SW to St Abb s Head on the east coast, as well as voyages in the Western Isles, ranging from day trips to three day journeys. Illustrated with superb colour photographs and useful maps throughout, it is a practical guide to help you select and plan trips. It will provide inspiration for future voyages and a souvenir of journeys undertaken. As well as providing essential information on where to start and finish, distances, times and tidal information, the book does much to stimulate and inform our interest in the environment we are passing through. It is full of facts and anecdotes about local history, geology, scenery, seabirds and sea mammals. A fascinating read and an inspirational book.
