Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The Change Maker catapults listeners into a world few will ever experience. Entertaining, fast-paced, and episodic, this memoir of an unconventional agent of change provides a lesson in the values of strategic thinking and responsible leadership found so wanting today. With self-deprecating humor and irony, Al Checchi chronicles the meteoric rise whereby his creativity, strategic thinking, and negotiating skills helped transform three major American institutions - Marriott Corporation, Walt Disney, and Northwest Airlines - and led him to challenge the California political establishment as a candidate for governor. Checchi demonstrates that through experience, vision, courage, and force of personality, one person can make a difference and lead others to move beyond their comfort zones and transform our institutions.
