Reviews

It is fantastic and great. This is for those who statte there was not a worth looking at. Its been written in an exceptionally easy way which is only soon after i finished reading this ebook through which in fact changed me, change the way i really believe.
(Barry O'Reilly)

LITERATURE AFTER FEMINISM

[DOWNLOAD](#)

University Of Chicago Press. Paperback. Condition: New. 192 pages. Dimensions: 8.6in. x 5.6in. x 0.6in. Recent commentators have portrayed feminist critics as grim-faced ideologues who are destroying the study of literature. Feminists, they claim, reduce art to politics and are hostile to any form of aesthetic pleasure. *Literature after Feminism* is the first work to comprehensively rebut such caricatures, while also offering a clear-eyed assessment of the relative merits of various feminist approaches to literature. Spelling out her main arguments clearly and succinctly, Rita Felski explains how feminism has changed the ways people read and think about literature. She organizes her book around four key questions: Do women and men read differently? How have feminist critics imagined the female author? What does plot have to do with gender? And what do feminists have to say about the relationship between literary and political value? Interweaving incisive commentary with literary examples, Felski advocates a double critical vision that can do justice to the social and political meanings of literature without dismissing or scanting the aesthetic. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
