LITTLE HOUSE IN THE BIG WOODS

HarperTrophy. Paperback. Book Condition: New. Paperback. 238 pages. Dimensions: 7.5in. x 5.1in. x 0.7in. This is the first book of the Little House series which is based on the life of the writer. This first episode is set in the period before the Ingalls family moved to the prairie. This is the place of Lauras birth and the beginning of her childhood. Little House in the Big Woods portrays a little girl with eyes full of wonder and heart full of love for her Ma and Pa and sister Mary. The theme of this book is very clear and simple -caring, sharing and growing up during a time when, even though you are a little girl, you do your part to help your family. The theme is brought out simply in each chapter. Laura and Mary had their chores each and every day. They were done -without hesitation or pushing from Ma and Pa -completely and thoroughly; then and only then would Laura play. Little House in the Big Woods is one adventure after another in Lauras life. It is a book of vivid descriptions of first-time happenings for Laura. There's the dance at Grandpas where Laura watches all the big girls dress up. There is Lauras first experience at seeing a town, and of course the fun at butchering time roasting the pigs tail. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
