The IVP Introduction to the Bible (Paperback)

By -

InterVarsity Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. The Bible is a truly wonderful book. Millions of Christians through the ages and across the world have treasured it as their most valued possession, often insisting that anyone can pick up the Bible and read and understand it for themselves. But many of the details remain fuzzy until we find out more about their historical or literary setting. The IVP Introduction to the Bible is intended to reduce the fuzziness, in two ways: First, by providing background information to the whole Bible and each testament, as well as the gap between the testaments. Second, by introducing all the main sections of the Bible and each biblical book in turn. So the great biblical panorama is brought to life, first with broad brush strokes and then with fine art work. This Bible introduction is written by an international and interdenominational team of evangelical scholars, among them Desmond Alexander, author of From Paradise to the Promised Land Tremper Longman III, author of How to Read the Psalms and How to Read Proverbs Howard Marshall, author of New Testament Theology Mark Strauss, author of Four Portraits, One Jesus All are involved...

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Camille Larson

Completely essential reading ebook. It is among the most awesome books I actually have read. I am very happy to explain how this is basically the greatest book I actually have read in my individual existence and might be the best PDF for possibly.

-- Prof. Alexandro Runolfsson
