Reviews

If you need to adding benefit, a must buy book. It usually does not charge excessive. I realized this ebook from my dad and i suggested this publication to learn.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Silverado Squatters (1883) is Robert Louis Stevenson s travel memoir of his two-month honeymoon trip with Fanny Vandegrift (and her son Lloyd Osbourne) to Napa Valley, California, in 1880. In July 1879, Stevenson received word that his future American wife s divorce was almost complete, but that she was seriously ill. He left Scotland right away and travelled to meet her in Monterey, California, (his trip detailed in The Amateur Emigrant (1894) and Across the Plains (1892)). Broken financially, suffering from a lifelong fibrinous bronchitis condition, and with his writing career at a dead end, he was nursed back to health by his doctor, his nurse, and his future wife, while living briefly in Monterey, San Francisco, and Oakland. His father having provided money to help, on May 19, 1880, he married the San Francisco native, whom he had first met in France in 1875, soon after the events of An Inland Voyage. Still too weak to undertake the journey back to Scotland, friends suggested Calistoga, in the upper Napa Valley, with its healthy mountain air. They first went to the Hot Springs Hotel in Calistoga, but unable to afford the 10 dollars a week, they spent an unconventional honeymoon in an abandoned three-story bunkhouse at a derelict mining camp called Silverado on the shoulder of Mount Saint Helena in the Mayacamas Mountains. There they managed to squat for two months during a pleasant California summer, putting up makeshift cloth windows and hauling water in by hand from a nearby stream while dodging rattlesnakes and the occasional fog banks so detrimental to Stevenson s health. The Silverado Squatters provides some interesting views of California during the late 19th century. Stevenson uses...
