Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 188 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. CSI Global War on Terrorism (GWOT) Occasional Paper (OP) 29, Advice for Advisors: Suggestions and Observations from Lawrence to the Present could not be timelier. While always a mission for some Army units, advising indigenous forces has become a major task for many Army units and for thousands of Soldiers, both Active and Reserve. CSI published this occasional paper as a supplement to Occasional Paper 18, Advising Indigenous Forces: American Advisors in Korea, Vietnam, and El Salvador. In that important study, Mr. Robert Ramsey distilled the insights gained by the US Army from its advisory experiences in Korea, Vietnam, and El Salvador. In this anthology, Mr. Ramsey presents 14 insightful, personal accounts from those who advised foreign armies in various times and places over the last 100 years. Unlike most of the monographs in the GWOT Occasional Paper series, this volume is an anthology. The articles are from past and present advisors, and they are presented without editing or commentary. Each one presents valuable lessons, insights, and suggestions from the authors firsthand experiences. Readers will thus make their own judgments and analysis in support of their unique requirements. CSI believes GWOT OP 19, like OP 18, will be of great value to Soldiers and units who are preparing to embark on an advisory mission and to those training organizations who are preparing Soldiers for this difficult and vital task. This item ships from La Vergne, TN. Paperback.
