Gateway Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The anointing is exceptionally powerful and manifests itself in varying ways according to the gifts that God has given each individual. The anointing is not a measure of our abilities, but it is God's ability working through us. It is the yoke destroying burden removing power of God. It solves problems and breaks chains of bondage in our lives. Every Christian has an anointing upon them to overcome and when brought together in the church (the body of Christ) the corporate anointing can manifest in greater levels. This book will teach you how to release God's miracles into the world. The anointing to roar is the boldness to proclaim the gospel both internally and externally that the power of God may be seen in all the earth. Like electricity, the anointing is always available, but it's the job of the appliance (or person) to connect to it. It is not about how loudly we can roar within ourselves, but it's about how loudly The Lion is roaring within our own hearts that causes us to roar in the anointing!.
