ANGELS AND DIVINE INTERVENTION: TRUE STORIES OF ANGELIC CONTACT WITH HUMANS

Createspace, United States, 2011. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Amazing and most inspiring personal angel stories of hope, guidance, peace, healing, protection and love submitted to Dr. Kelli from individuals all over the world. The stories describe the reader s personal contact with angels relating to some extraordinary event in their lives such as being saved from an accident, curing an illness, or making some other significant and personal contact. This is a wonderful book of stories that may find you remembering a similar experience in your own life, and not realizing that an angel was present in your life. Each story is unique and captivating because it is true and was very real to the person experiencing the special contact with his or her angel. This book will be a great one to keep on the coffee table to remind us all that we all have angels and they are very present in our lives. The stories are interesting and all are real life experiences from those who were there, and were affected by the work of Angels. If you were wondering if angels truly exist, reading these stories will prove to you that they do and that they are there to protect us in situations that you never knew were the result of their involvement, such as that little voice telling you to not take a certain road home or simply just letting you hear a voice advising you about a decision you are about to make. Listen to that voice, watch for signs, and you will be able to connect to your own Angels.
