Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 226 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.You wouldn't expect the true story of a farmer and his daughter to have a horrid beginning, but it does, beginning with blood and unexpected circumstances changing a sunny day to darkness. No confessions from the confessional but confessions of the farmer and his daughter. A simple phone call sending me back to the century old farm where I will find my dad struggling to live. Walk with me as I take off my shoes revealing the holes in the bottom of my socks. We all know those holes exist but we don't want anyone to see them. My confessions are the holes, my story of the path of life I have been on, remembering as I sit at the bedside of my dad. Walk with me as I walk on a country road where you will find direction for your own walk as I point you to a Great God and His Living Word.
