Reviews

This book is fantastic. It really is packed with wisdom and knowledge I am pleased to explain how this is the greatest ebook i actually have go through in my personal daily life and can be he greatest ebook for at any time.

(Mr. Zachariah O'Hara)

HOMEWARD: TND: TALES FROM THE WORLD OF THE NOBLE DEAD SAGA (PAPERBACK)

Nobledead.Org, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Homeward contains six connected stories set in the world of the Noble Dead Saga as taken from the Homeward collection in T-N-D-S: Tales from the world of the Noble Dead Saga. Follow the adventures and budding romance of Jan, a half-gypsy peasant turned vassal, and Julianna, the strong-willed young woman taken in by Jan s family. In The Keepers, Jan and his parents arrive at the keep above the village of Chemestuk, where Jan s father must become the vassal lord of the fiefdom. Determined to prevail, despite the place s dark reputation, they find the ugly rumors concerning the keep are all too true. The Reluctant Guardian and Captives follow the terrors of civil war as Jan, Julianna, and those they love are faced with everything from military conscriptions to roaming gangs of violent deserters. Claws, The Sleeping Curse, and Silent Bells take Jan and Julianna out on the open road with Jan s extended family of traveling gypsies. Amid encounters with shape-shifters, magic, curses, and intrigue, their feelings for each other deepen but grow more confusing. Will either one of them ever confess such feelings to the other?.
