Arrow Random House UK. Taschenbuch. Condition: Neu. Neuware - There was a time when Jackie Reed knew her sons better than anyone. She used to be able to tell what they were thinking, feeling, if they were lying. But it's as though every day, every minute even, she knows them a little less. Her boys aren't boys anymore, they're becoming men - men she's not sure she recognises, men she's not sure she can trust. So when one of her son's classmates is killed in suspicious circumstances, people start asking questions. Was it really a hit and run A car-jacking gone wrong Or something much more sinister Now Jackie must separate the truth from the lies.
