WW Norton Co, United States, 2007. Paperback. Book Condition: New. American.. 203 x 140 mm. Language: English . Brand New Book. Irvine Welsh s first short-story collection since his debut work *The Acid House* presents five extraordinary stories, which remind us that he is a master of the short form, a brilliant storyteller, and-unarguably-one of today s funniest and most subversive writers. In *Rattlesnakes* three young Americans, lost in the desert, are accosted by two armed Mexicans. A Korean chef and a Chicago socialite find themselves connected through the disappearance of a pooch named Toto in *The D.O.G.S. of Lincoln Park*. And in the title story, Mickey Baker-an ex-pat English bar owner living on the Costa Brava-tries to keep all of his balls in the air: maintaining his barmaid s weight at the sexual maximum, attending to the youthful Persephone, and dodging his ex-wife and Spanish gangsters. In typically Welshian fashion, the characters and settings are anything but typical. These stories will make you laugh and gasp.
