LOVE ME ALWAYS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a novella in the The Invisibles Series and should not be read without reading the prior books. Sadie Miller and Brady Carson began their journey together two years ago. Now, after most of their friends have married, it's finally their turn to say I do. Sadie and her bridezilla nature have made the Miller/Carson wedding the event of the year. The cake, the caterer, and the flowers are all crossed off her list. But she soon realizes she can't hide the guilt from her actions years before behind the facade of a big wedding. And if she wants her groom waiting at the end of the aisle, she needs to be honest with him. Brady has always been the patient one. He's the father figure and sensible one of the group. But the fears of failing at marriage still run deep within him. A week before the girl he lives for takes his name, a surprise shows up on his doorstep, and his neatly organized life is thrown off-kilter. Once again, Sadie and Brady are tested by the ghosts of their pasts. However, this time they must come together if they plan on living happily ever after.
