Rethinking the Principles of War (Paperback)

By -

Naval Institute Press, United States, 2007. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****. This work features the fresh thinking of twenty-eight leading authors from a variety of military and national security disciplines. Following an introduction by Lt. Gen. James Dubik, Commander I Corps, U.S. Army, the anthology first considers the general question of whether there is a distinctly American way of war. Dr. Colin Gray s opening essay The American Way of War: Critique and Implications provides a state of the question perspective. Sections on operational art, with writers addressing the issues in both conventional and small wars; stability and reconstruction; and intelligence complete the volume. Among the well-known contributors are Robert Scales, Mary Kaldor, Ralph Peters, Jon Sumida, Grant Hammond, Milan Vego, and T.X. Hammes. The anthology is part of a larger Rethinking the Principles project, sponsored by the Office of Force Transformation and the U.S. Navy to examine approaches to the future of warfare. Footnotes, index, and a bibliographic essay make the work a useful tool for students of war and general readers alike.

Reviews

Very helpful to all of class of folks. This is certainly for all who statte there had not been a worthy of studying. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Jayda Lehner Jr.**

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Dr. Hermann Marvin PhD**
