S SLIPS, TRIPS AND FRACTURED HIPs: THE ULTIMATE GUIDE TO THE PREVENTION AND TREATMENT OF ACCIDENTS IN THE OLDER GENERATION (PAPERBACK)

First Aid for Life, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Slips, Trips and Fractured Hips has been written for people caring for older friends and relatives; children caring for elderly parents, for spouses, for older people wanting to keep themselves that bit safer and for anyone working with or caring for older people. It is designed to help you take measures to prevent life-threatening injuries and help you plan, prepare and avoid mishap. It will also equip you with the necessary skills should an accident occur. Immediate and appropriate first aid saves lives, reduces pain and suffering and can make a dramatic difference to the speed and extent of the casualty's recovery. First aid treatment can be so simple and knowing what to do can save people so much pain, scarring and further major hospital intervention. Written by an experienced nurse and first aid expert, Emma draws upon her professional and personal experience to produce an engaging and authoritative guide. Supported by RoSPA, Home Safety and Age UK advisers, Slips, Trips and Fractured Hips is packed full of practical hints and tips relevant to people as they get older. As we get older our physiology changes and we often develop additional medical conditions. These conditions and the medicine taken to manage them can alter the way our bodies react to injury. Understanding this is key to managing a first aid emergency in an older person and anticipating how they might react to the injuries you can see. Staying one step ahead in an emergency situation often proves vital to the recovery of the casualty. As we age, we also become more accident prone. Our eyesight deteriorates, our skin becomes more friable, we may develop medical conditions which affect...
