Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from School Dictionary of the English Language, Constructed as a Series of Daily Lessons N. B. The object of this book is to shorten the time necessary for obtaining a competent knowledge of the English tongue, so that the learner may acquire all the genuine elements of our speech, with less than one half the labour commonly employed for that purpose. This motive is certainly excellent, and the success of the work has been commensurate; for we learn that it reached a Second Edition in two months from its first publication. We have examined the Guide by Air. Baldwin, and the Dictionary by Mr. M.; and as we think the former very ingenious, and the latter extremely useful, we have no hesitation in recommending the volume in which they are contained.
