Reviews

Extensive guideline! Its this kind of very good study. It really is full of knowledge and wisdom I discovered this book from my i and dad encouraged this publication to understand.

(Mr. Jerry Littel)

A COMMONWEALTH OF THE PEOPLE: POPULAR POLITICS AND ENGLAND S LONG SOCIAL REVOLUTION, 1066-1649 (HARDBACK)

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2010. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In 1500 fewer than three million people spoke English; today English speakers number at least a billion worldwide. This book asks how and why a small island people became the nucleus of an empire on which the sun never set . David Rollison argues that the English explosion was the outcome of a long social revolution with roots deep in the medieval past. A succession of crises from the Norman Conquest to the English Revolution were causal links and chains of collective memory in a unique, vernacular, populist movement. The keyword of this long revolution, commonwealth , has been largely invisible in traditional constitutional history. This panoramic synthesis of political, intellectual, social, cultural, religious, economic, literary and linguistic movements offers a new constitutional history in which state institutions and power elites were subordinate and answerable to a greater community that the early modern English called commonwealth and we call society .
