Back to the Core: Rethinking Core Texts in Liberal Arts Sciences Education in Europe (Hardback)

By -

Vernon Press, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Whereas liberal arts and sciences education arguably has European roots, European universities have evolved over the last century to become advanced research institutions, mainly offering academic training in specialized disciplines. The Bologna process, started by the European Union in the late nineties, encouraged European institutions of higher education to broaden their curricula and to commit to undergraduate education with increased vigor. One of the results is that Europe is currently witnessing a proliferation of liberal arts and sciences colleges and broad bachelor degrees. This edited volume fills a gap in the literature by providing reflections on the recent developments in Europe with regard to higher education in the liberal arts and sciences. The first section includes reflections from either side of the Atlantic about the nature and aims of liberal arts and sciences education and the way in which it takes shape, or should take shape in European institutions of higher learning. The edited volume takes as a distinct approach to liberal arts and sciences education by focusing on the unique way in which core texts - i.e. classic texts from philosophical,...
