The Teachers Guide to Inclusive Education: 750 Strategies for Success: A Guide for All Educators

By -

Corwin Press. Paperback. Book Condition: New. This item is printed on demand. Paperback. 350 pages. This new release is filled with practical pick-up and use teacher-tested strategies. The strategies are appropriate for students with special needs, at risk students and for students who need additional support in the classroom environment. The first section of this book provides guidelines to set up, expand or improve the current inclusive setting, strategies for working and planning collaboratively, developing lesson plans, making accommodations, differentiating instruction and more. The second section includes 750 strategies to support students, conveniently numbered and listed by subject areas for quick reference! Some of the topics covered include reading, (decoding, comprehension and strategies for non-readers too), vocabulary development, daily assignments, homework, written language, spelling, math, organizational skills, large group instruction, student behavior and discipline, assessments and more. Many activities also include extension strategies, so the activities and games can be used with all students in your classroom! The 100 reproducible forms will help with communication, lesson planning, student behavior, accommodations, assessments and more. This new release also includes many student aids, graphic organizers, behavior charts, outlines, checklists and study sheets which can be reproduced and used to help in all...
