BIRDER'S MEXICO

Texas A & M University Press, 1999. Paperback Condition: New. Mexico is a biological paradise, possessing the greatest natural diversity in North America. With only one-fourth the land area of the United States, it possesses as many plant species and many more kinds of animals than its northern neighbor. Yet the favored tourist attractions of Mexico are the cities, beaches, and archaeological sites. Since 1966 Roland Wauer has made annual trips to see his own favorite attractions in Mexico: native...
