Brand New Book ***** Print on Demand *****.For most of his life, James Thornhill accepted that his family would never see him as anything but a failure. But as the new CEO of Thornhill Management, he s been given another chance to set things right. First order of business? Settling a nuisance lawsuit and bringing the pesky but dedicated employment attorney on board as part of his team. Second order of business? Resisting the prim but fiery attorney who has somehow become utterly indispensable in his life. Quinn Taylor has grown up always doing what was right and, likens herself to a modern-day David taking on the Goliaths of the world. Goliaths such as the CEO of Thornhill Management. Playing babysitter and muse to the overindulged CEO was not what she had in mind, but with mounting debt making even a cup of coffee a luxury, Quinn s ready to swallow her pride and get in bed with the devil. Something that, the more time she spends with the man, becomes increasingly enticing. But the stakes are too high for either of them to risk an interoffice fling.until an unexpected trip to Quinn s hometown brings a long-denied simmering attraction to a boil. They ll have to decide what they re willing to risk and how far they re willing to fall if love doesn t conquer all.
