St Martin s Press, United States, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Freya is a goddess from a centuries-old mythology. And she s about to make one hell of a comeback. Blending elements of fantasy and scifi in a modern-world setting, this first novel in a new young adult series is perfect for fans of spellbinding YA novels inspired by history and myth. There s far more to Sara Vanadi than meets the eye. In her prime, she was Freya, the Norse goddess of love, beauty, war, and death - though that past hardly seems to matter now. For an ancient goddess in the 21st century, true believers--and the strength they bring--are painfully hard to find. But when a new, rising power threatens to remake the world by bending the divine to its will, Sara realizes her days of hiding have ended, and a chance to claw her way out of the history books has arrived. She ll just need new clothes and a manicure before she gets started. An Imprint Book Praise for Freya This series debut blends philosophy (free will, destiny, faith), humor, multidimensional characters, and a fast-moving, well-constructed plot into a compulsively entertaining read. --Kirkus Reviews, starred review Move over, Percy Jackson, there s a new girl in town. --Booklist.
