Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fruitful Business: How to Start a Business Now! - Are you thinking of starting a business but don't know how to start? - Are you looking for real life examples that you can easily follow? - Are your business start-up funds limited or non-existent? Then read this book. Fruitful Business is unique. It contains a treasure chest of real life examples from my personal story of how I started my multi-award winning fruit bar business, going nationwide in the major retailers and globally online in record time, all on a shoestring budget - as featured on National Television. Fruitful Business is packed with low cost strategies to help you start your business even if your funds are limited. It contains valuable Top Tips and Exercises to help you get started on your business right away. You will learn how to. - Identify the right business idea for your best chance of success - Create a media splash for your start-up, products and services - Get your products listed by major retailers The examples in my story can be applied to any business idea, product or service. So what are you waiting for? Lotwina's advice on how to start a business is plentiful, innovative and a must read for budding entrepreneurs. Her personal story adds value and makes this book a highly effective resource Dr. Radu Dimitriu BSc MSc PhD Lecturer in Strategic Marketing, Cranfield University, School of Management.
