Reviews

This type of book is everything and helped me seeking forward and a lot more. We have go through and so i am confident that i will planning to read again again later on. You will like just how the blogger create this ebook.

(Lilla Stehr)

GOOD HOUSEKEEPING STEP-BY-STEP COOK BOOK

Good Housekeeping, 2012. Condition: New. A cook's handbook as well as a great selection of 400 'triple-tested' recipes, this volume explains the basic techniques for preparing and cooking each type of food - for sauces and dressings, through fish, meat and poultry, to vegetables, fruit and nuts, desserts and baking - before moving on to the recipes. In step-by-step illustrations, it will show you, for example, how to cook with chocolate before you embark on that Chocolate Amaretti Tart.
