Here s what you ll get with this Three book package: Seeing rainbows and Unicorns -You Can Break Free From Depression Forever!According to World Health Organisation research, and other research in recent years, depression is a huge epidemic all over the world, even if not currently given a great deal of public attention, or not diagnosed by doctors. It is expected that twenty per cent of women and ten per cent of men will get depressive illness at least once in their lifetimes. By the year 2020, the World Health Organisation estimates that depression will be the second most common illness affecting society, when measuring the impact of illness on society. Depression is the main cause of suicide all over the world. In an effort to protect your family members from getting depressive illness, it is useful if you understand the fundamental situation that depression occurs when the stresses of life exceed our ability to cope. Accordingly, anything that can be done to reduce these stresses, and anything that can be done to increase our abilities to cope, will lessen the risk of getting depressive illness in our journey through life. Key suggestions for offsetting depression include; exercising to work off tension, meditating to clear the mental impurities of the day, changing the routine aspects of your life, developing a support system, and finding a healthy way to release pent up emotions. If these initial steps do not provide relief from the pain, other options are available. Consider speaking with a friend, partner, minister, professional counselor,...
