Trusted Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.No one would use a funhouse mirror that distorts reflections or a broken mirror that impairs images to apply makeup or style hair. Why, then, do we see the worldly mirrors of others opinions and our own presumptuous thoughts to view our inner selves? These types of mirrors not only give us a false perception of ourselves, but also they wound us and hold us captive the reflected ugliness of fear, guilt, worry, condemnation, and perfectionism. Many of us see and feel the paralyzing effects of these ugly burdens, but we have no idea how to take them off. Consequently, we continually live in the destructive trap of insecurity, knowing deep down there is more to life than what we are experiencing. Seeing Yourself in the Mirror of Truth illuminates the destructive impact that deception and lies have on your identity. Not only will you become acquainted with the truth that sets you free from this trap, but also you will be taught how to tame, shape, and polish your personality using God's mirror. Just like you partner with the mirror each morning to polish your appearance, you will learn how to partner with God through His Word to see and remove your ugly insecurities as you willingly let God transform you into a beautiful woman in Jesus Christ. Are you ready to look into the mirror of truth?.
