Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Annotated. Language: English . Brand New Book ***** Print on Demand *****. The Poor Clare is a short horror story by English Victorian writer Elizabeth Gaskell. First serialised in three installments in 1856 Charles Dickens popular magazine Household Words, The Poor Clare is a gothic ghost story about a young woman unwittingly cursed by her own grandmother. December 12th, 1747.--My life has been strangely bound up with extraordinary incidents, some of which occurred before I had any connection with the principal actors in them, or indeed, before I even knew of their existence. I suppose, most old men are, like me, more given to looking back upon their own career with a kind of fond interest and affectionate remembrance, than to watching the events--though these may have far more interest for the multitude-- immediately passing before their eyes.
