Reviews

Good eBook and beneficial one. It really is simplified but unexpected situations from the 50 percent from the ebook. You can expect to like the way the blogger publish this ebook.
(Bridie Stracke DDS)

ACROSS SEVEN SEAS (PAPERBACK)

Xlibris Corporation, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is not an autobiography. It is a collection of my experiences covering a vast panorama, starting from a remote village in India, moving to a town for schooling, experiencing the devastating tragedies in the family at a tender age, witnessing the travails of people ousted from their home and hearth on the country s Partition in 1947, to joining the Indian Army. I participated in both the Indo-Pak wars of 1965 and 1971. In 1965, while leading a tank troop, my tank was hit in which my operator was killed on the spot, and .I barely survived losing one eye. With this serious disability, I face all the rigors of army life and rise to the rank of Colonel to command an armored regiment and held various coveted senior appointments in the Indian Army. As if the loss of one eye was not the end of it all, ill-luck strikes me once again. In 1992, while still in service, in a freak accident I lost my second eye becoming totally blind. .Determined to regain my self-confidence, I traveled to South Africa where my daughter and her husband (both physicians) arranged for my rehabilitation .My fascinating experience of being able to move about on my own will be of interest to many readers. In due course, my son and daughter moved to the States and I too shifted to experience and enjoy the American way of life. I commend this book to those readers who may be interested in knowing the Indian culture, their ruler life, their perception of an American way of life and those who lauds the survival against odds. Across Seven Seas The Memoir of a War Veteran!...
