

Kali Rising: Foundational Principles of Tantra for a Transforming Planet

By Rudolph Ballentine Md

Tantrikster Press. Paperback. Condition: New. Ed Rihacek (illustrator). 194 pages. This update of tantra for the 21st century manages to be snappy and cutting-edge at the same time it remains faithful to the profound truths of an infamously renegade spiritual tradition. For over a thousand years, Tantra has shocked, scandalized, and yet continually infiltrated and revitalized the most ancient philosophies and religions of the world. In this little volume, you will learn why -- and discover how it is even more relevant than ever in this period of drastic transformation and change. The principles of tantra lie at the heart of yoga, alchemy, Buddhism, holistic medicine, and sexuality, and clarify the central dynamic that faces humanity as we attempt to attain a new planetary consciousness -- one that promises to move us beyond linear time, three-dimensional space and confines of causality! Kali Rising is your guide to stepping into a new and electric way of living. . . Part I of the book is a dialogue between very current, yet thoroughly authentic, archetypes of the universal masculine and feminine -- Shiva and Shakti. According to the ancient tradition, Shiva explains the radical principles of tantra to his consort, Shakti. In...

Reviews

It is one of my personal favorite books. This is certainly for anyone who states there had not been a worth studying. I found out this ebook from my dad and dad advised this pdf to learn.

This is an awesome publication I have at any time read. Of course, it is playful, still an interesting and amazing literature. You will like just how the author wrote this book.
