

Micronesia in Depth: A Peace Corps Publication

Filesize: 8.58 MB

Reviews

This is actually the finest ebook we have go through until now. It is writter in straightforward words and phrases instead of difficult to understand. Its been designed in an remarkably straightforward way and is particularly just following i finished reading through this book by which basically changed me, change the way in my opinion.

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The name Micronesia is derived from the Greek words mikros, small, and neso, island. Until recently, the many distinct languages of the Micronesian islands existed only in oral form. Thus, much of the early history of these islands had to be derived from archaeological artifacts. It is thought that more than 3,000 years ago, Austronesian speaking Micronesian people entered the Pacific from Southeast Asia. These seafaring people probably first settled in the Marianas (Guam and Saipan) and then the Western Carolines, including Palau and Yap. Later, migrations from the southern Melanesian islands brought settlers to Kosrae, Chuuk, and Pohnpei. The outer islands of Micronesia were likely settled later, as their languages are dissimilar to those of the main islands. Micronesians are known as great sea voyagers and sailed huge outrigger canoes over distances of thousands of miles, using traditional navigation techniques, dependent on knowledge of the movements of currents, swells, winds, and birds. Early Micronesians lived a subsistence lifestyle based on fishing, gathering, and agriculture. Legends of ancient civilization in the Caroline Islands tell of an ancient empire, about which little is known. The remnants of magnificent stone fortresses constructed from basalt pillars in Pohnpei (Nan Madol) and in Kosrae (Lela Ruins) are thought to date back to A.D. 400. Yapese stone money (stone discs as large as 12 feet in diameter that can weigh up to 12 tons) was mined as far away as Palau and transported by canoe to Yap. Islands in the archipelagoes known as Micronesia were among the first in the Pacific to be discovered by European explorers of the 16th century. The islands were grouped into three categories: the Marshall Islands, the Eastern...
