Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

University of Wisconsin Press, United States, 1993. Paperback. Condition: New. Teachers Guide. Language: English,Norwegian . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This teacher d guide is designed to accompany an anthology of Norwegian writings. It suggests a variety of classroom communication activities for using in work with both pairs of students and with small groups. Intended primarily to complement Norsk, Nordmenn, og Norge the most widely used Norwegian text in the United States, the anthology may also be used independently and offers a lively, diverse collection of Norwegian writings for the intermediate-level student of Norwegian. High schools universities, or adult classes will find that the various stories and exercises provide a flexible text to meet their differing needs. Writings by Norwegians for Norwegians are grouped into three sections that allow the student to receive a hands-on approach to bokmal (Norway s standard language). The first section provides core readings that gradually grow in length and complexity, including stories, songs and dramatic sketches on themes ranging from romantic relationships and travel complications to women s rights and environmental issues. A second section on cultural background explores Norwegian geography, immigration to the United States, Germany s World War II occupation of Norway, and contemporary social issues in Norway. Students will find the third group of writings a useful start to expanding their use of Norwegian: selected texts are repeated in nynorsk (Norway s second official language), riksmal (the older form of the language), various Norwegian dialects, Swedish, and Danish, to demonstrate how minor adjustments in reading skills can make a wider range of writings accessible to the student. Bound by no single philosophy or teaching method, the anthology allows instructors to use their own approaches,...
