

The Book of a Devout Pop Picker (Paperback)

Filesize: 5.99 MB

Reviews

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

(Nannie Lindgren Jr.)

THE BOOK OF A DEVOUT POP PICKER (PAPERBACK)

Hot Tub Publishing Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a different kind of music history, a chronicle of pop development and chart action from 1963 to 1983, from the point of view of one anonymous customer, a music lover who falls in love with 45s as a small child and grows into a young adult with the beginnings of a record collection to purr over. The narrative details cultural trends and important records, but not all of them, because they don't all impact on everybody. Sometimes we are told that a record is important when we don't even know how it goes. Sometimes a record is more important to us than others seem to think it should be. So there is context and explanation - it is a history after all - but the story is the narrator's personal experience. It picks up threads relevant to him, following them as they develop and intersect. You never find out his name, or those of his friends and family: indeed they are rarely mentioned, except in relation to music; via anecdotes of how they reacted, or over-reacted, to particular records. A similar history written by another pop picker might therefore be very different. But it would be just as true. It begins with his birth, in the first explosion of Beatlemania, the impact of which radically alters the time-honoured practice of the midwife. This sets the scene. Over the next four years he discovers the effect that records have, both on him and on those around him. He is delighted, puzzled, unnerved, forewarned. They will teach him new words and phrases; they will present him with tableaux of high drama, they will send him scurrying for...
