So many people struggle to comprehend why they behave in a certain manner or why they are driven to do certain things in life. Sometimes there may be an unexplained emptiness that can't be filled with worthless things so they seek fulfillment in all the wrong places. A hole in your soul can never be satisfied by the things of this world, only God can fill that void. That is why it is important to know who you are in God and why you are here on this earth. This book will help you to learn how to understand God's covenant and unlock unrealized potential so that you can recognize your true calling. If you don't understand the promises of God you will not be able to fully grasp the magnitude of what he has placed on the inside of you.
