Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.
(Prof. London Gerlach)

THE CAMBODIAN PLOT

BooksMango. Paperback. Condition: New. 60 pages. Dimensions: 8.0in. x 5.0in. x 0.1in.A political thriller set in the ever-sensuous and treacherous post-Cold War Indochina What was supposed to be a jaccuse against powerful intelligence agencies supported by material evidence, I had to turn into a piece of fictional work. WWII ended in 1945 and the hunt for the last Nazis is rightly still going on. But why, as for Nazi Germany and many other countries, should it not be the same for Cambodia, where Khmer Rouges commanders and cadres committed igno- minious war crimes and genocide during their dictatorship which was brought to an end in 1979After all these years and more than 150 M spent by donor countries, the UNs sponsored Khmer Rouge Tribunal in Phnom Penh is a farce and Cambodian victims of Pol Pots regime have been denied justice. I hope the theory I describe in this story deserves an independent international investigation. The author is an Italian writer interested in South-East Asian affairs. In 1975, he witnessed the conquest of Cambodia by the Khmer Rouge. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
