Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The New of the Dream Now, John, there is a new man on the horizon, and I rather want to know what you think of him. All boiling and sizzling round in my head, creating enough steam to blow me up if I don't get some of it out, are questions like this: What sort of an idea of me has Helen Winthrop given him that he should send me that queer, intimate book, The Gargoyle, without ever having seen me? I can't somehow fit it in with Helen's description of the Viking Painter. He must be physically glorious, and the critics seem to think he has the really big thing. Perhaps his greatness is like that of a cathedral, with here and there a gargoyle trait just by way of proving that he is human, despite his genius.
