WORTHY OF LOVE: A JOURNEY OF HOPE AND HEALING AFTER ABORTION (PAPERBACK)**DOWNLOAD**

Beautiful Voice Ministries, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.All of us have suffered the pain and regret of past choices. The wounds of abortion are especially difficult as we often hesitate to talk about them. Yet for every woman who s made that painful choice, there is a story deep in her heart that wants to be told. Worthy of Love is your invitation to discover the healing, forgiveness, and ultimate victory that God offers through Christ. As you join Shadia and journey through your stories together, you will find the courage to face your past, understand your present, and embrace a future of hope, healing, and victory. This 8-session story-driven interactive study includes personal reflection questions, Scripture assignments, memory verses, prayer, and journaling. You will explore such topics as: - Lies we believe - Secrets we keep - Masks we wear - Burdens we carry . . . and how to embrace the victory available to you through Christ! Shadia has spoken to countless of women-some who recently experienced abortion and others in their 90s still bound by the grief and shame. One thing I ve found: time does not heal our wounds; in fact, it buries them deeper. But Christ came to set us free so we can know the fullness of His love and the joy-filled life He intended. Recommended by Chip and Theresa Ingram. Foreword by Brian Fisher. (Leader s Guide version also available).
