Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.While a whole lot of debate is on about the existence of the supernatural, the miraculous or even the reality of Heaven and Hell; well some people have quite some things to say either from books they have read or movies watched or an experience of their own. No matter how some people might want to deny it, there is a feeling within us that there is an existence of a higher force that seems to have control over quite a lot of things such that sometimes things unbelievably work for us while at other times, they work against us even when the situation seems perfect. The supernatural still remains a phenomenon that is widely open to speculations, theories, beliefs, doctrines and opinions as various bodies and organizations have tried to solve the mystery behind it either through scientific means or otherwise while others have just learned to embrace it and believe in it. Various cultures have different beliefs about the supernatural as well as the subject of heaven and hell and they also have different names for these two places. But in all the beliefs, one thing is common; death will take you to one of these places whether you like it or not and it is also believed that a good person will be going to heaven while a bad person will proceed to hell but I think it is safe to say that the supernatural is a little more complicated than that. Even the creation of life still has some mystery surrounding it and even though the scientists seem to have it all figured out, there are still some unexplainable events surrounding the phenomenon of creation, so...
