Brand New Book ***** Print on Demand *****.My first interview with Dr. James Winter was under dramatic circumstances. It occurred at two in the morning in the bedroom of an old country house. I kicked him twice on the white waistcoat and knocked off his gold spectacles, while he with the aid of a female accomplice stifled my angry cries in a flannel petticoat and thrust me into a warm bath. I am told that one of my parents, who happened to be present, remarked in a whisper that there was nothing the matter with my lungs. I cannot recall how Dr. Winter looked at the time, for I had other things to think of, but his description of my own appearance is far from flattering. A fluffy head, a body like a trussed goose, very bandy legs, and feet with the soles turned inwards-those are the main items which he can remember. From this time onwards the epochs of my life were the periodical assaults which Dr. Winter made upon me. He vaccinated me; he cut me for an abscess; he blistered me for mumps. It was a world of peace and he the one dark cloud that threatened. But at last there came a time of real illness-a time when I lay for months together inside my wickerwork-basket bed, and then it was that I learned that that hard face could relax, that those country-made creaking boots could steal very gently to a bedside, and that that rough voice could thin into a whisper when it spoke to a sick child. And now the child is himself a medical man, and yet Dr. Winter is the same as ever. I can see no...
