Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Saltwater Fish and Reef Tanks is the premier source of information for new and experienced saltwater aquarium owners. If you want a happy, stable, colorful, and healthy saltwater fish tank, you need to read this book. The author is a long-time reef enthusiast who started his first saltwater aquarium setup nearly fifteen years ago. Mr. Blanchard is also a past store owner. Whether you re looking to setup a saltwater reef or a fish only tank, this book was written as an explanation and road-map to success in caring for your aquarium equipment, fish, corals, and invertebrates. Neil Barnhart called Saltwater Fish and Reef Tanks, a must have for anyone interested in starting in the hobby, and went on to say he d been in the hobby for 5 years now and can finally understand things he was embarrassed to ask the store guy david S. said it is, Right to the point essential information and went on to call it, A must have reference that will make the hobby experience a lot more enjoyable. Matt Brown said, great tool to use , The tables within it are extremely useful , and I can t think of another book that was as easy and enjoyable to read. Blaine Hatton said, it took many mistakes to learn what this book explains. I would recommend it to anyone that is interested in beginning a saltwater aquarium. It will help save you a lot of headaches and probably lots of money. Bo Garrett said it provides motivation and inspiration and it has an unbelievable amount of information. Mr. Blanchard walks the reader through the process of owning a saltwater aquarium setup from the perspective of...
