Filesize: 9.37 MB

Reviews

This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.

Paul Dry Books, Inc, United States, 2000. Paperback. Condition: New. Paul Dry Books. Language: English . Brand New Book. Finalist for the National Book Award and the PEN/Faulkner Award This small novel works like a laser beam, penetrating the American experience with searing and concentrated intensity. --Los Angeles Times The Tree of Life is one of the most powerful, original, and disturbing books that I have read in a long time. Hugh Nissenson has caught the voice of the old-time diary keeper just exactly. It s uncanny, marvelous, so direct and deceptively simple that you know what pains he has taken.The book is a work of art and no one who reads it will ever forget it. --David McCullough It is a tale more moving and haunting than one thinks it can possibly be. --The Village Voice The year is 1811. Having suffered a loss of faith, Thomas Keene, Congregational minister from New England, abandons the East and moves to Richland County on the Ohio frontier. The Tree of Life is Keene s journal: stories and jottings appear alongside accounting entries and poems, coarse jokes and sermons, woodcuts and maps. In this Waste Book, Keene conveys his longing for a young widow, his fascination with John Chapman (Johnny Appleseed), and his resolve in the face of the growing enmity between his fellow settlers and the Delaware Indians. The Tree of Life reveals a man of intellect and passion as he confronts the raw country. The juxtaposition of horror and information perfectly captures the genius of this imagined diary.Scarcely a word is wasted. Hardly an aspect of the struggle to found a new civilization remains untouched. The Tree of Life dramatizes, sometimes with almost unbearable intensity, the American dream and its attendant nightmare. --Time Magazine [The Tree of Life] confronts us...
