

Vedic Astrology Horoscope of Michael Jordan: In-Depth Chart Analysis (Paperback)

By Manjunath S Sharma

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Basketball Superstar Michael Jordan's birth certificate was sold in an auction in 2013. The actual birth time is revealed as 13:40 making his time of birth authentic and not 10:20 as previously given. Date of birth is 17 February 1963. This is a Gemini ascendant chart, with a debilitated Mars and Moon exchanging signs of Scorpio and Cancer, which is enigmatic. In this book, I analyze the Vedic astrology horoscope of basketball superstar Michael Jordan in detail. I reveal many techniques to analyze planetary exchanges. I also discuss the horoscopes of Coach Phil Jackson, basketball star LeBron James, President Barack Obama, Chess Grandmaster Garry Kasparov, American Skier Lindsey Vonn, and Tennis superstar Serena Williams.

Reviews

I just started looking over this ebook. It is actually really fascinating through reading period of time. You won't really feel monotony at anytime of your time (that's what catalogues are for about when you request me).

-- Miss Naomie Kohler PhD

If you need to add benefit, a must buy book. It usually does not charge excessive. I realized this ebook from my dad and I suggested this publication to learn.

-- Alec Veum
