This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Dreamer Publications, LLC, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When four eager writers adopt the method acting approach to add realism to their individual writing projects, their mundane lives transform into the absurd. Each writer begins an adventure that previously could ve only been created with their keyboards. Dorian Nettle is a 29 year-old journalist who dreams of earning a Pulitzer Prize someday. She takes an undercover job at the call center of a local escort service to discover if she s anything like her late (birth) mother - a New Orleans hooker. David Hass describes himself as an unsuccessful, financially-impaired writer whose personal life is as depressing as his writing career. In an attempt to avenge his abused love interest, David is confronted with how far he ll go to personalize his fictitious vigilante character, Kenny Black. Georgie Mae Perez, is a twenty-something girl whose look on life is both fearless and foolish. Frustrated that her writing is ordinary, she picks up a gun instead of a pen and creates a whole new world of prose. Marty Pitchford is a married man caught in a world of mediocrity and melodrama. Confronted by his wife s extramarital adventures, Marty embarks on his own tantalizing escapades. When his daughter s safety falls into the wrong hands, Marty must make a decision of what he truly wants. Their journeys take exciting, bizarre, and dangerous, if not criminal, turns. The roads home appear bleak, so they turn to each other to help bring them back. Four writers. Four methods. One twisted novel. This group novel was dreamed up and written by Bridget Callaghan, Michael Ray King, Nancy Quatrano, and Jeff Swesky - the Rogues Gallery Writers.
