Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

LA METAMORFOSIS DEL CAMBIO EDUCATIVO

[DOWNLOAD](#)

AKAL, 2018. Condition: Nuevo. Este libro rastrea el itinerario ?vital? del cambio educativo, describiendo el contexto sociopolítico, cultural y económico en que se despliega, recorriendo su trayectoria como campo de estudio, revisando sus principales categorías de análisis y presentando sus configuraciones actuales: las comunidades discursivas de la excelencia, la reestructuración y la política cultural. Esta última porta un horizonte de renovación para el cambio educativo, porque intenta conciliar el compromiso local con los derechos colectivos y el reconocimiento de la diferencia con el logro de la justicia social y la democracia crítica. Este libro analiza el contexto del cambio educativo, recorre su trayectoria como campo de estudio, revisa sus categorías de análisis y describe sus configuraciones actuales: las comunidades discursivas de la excelencia, la reestructuración y la política cultural.
