THE BALTIC AND CAUCASIAN STATES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Baltic and Caucasian States This series has been undertaken to provide for the ordinary citizen a popular account of the history of his own and other nations, 3 chronicle of those movements of the past of which the effect is not yet exhausted, and which are still potent for the peace and comfort of the present. The writers conceive history as a living thing of the most urgent consequence to the men of to-day they regard the world around us as an organic growth dependent upon a long historic ancestry. The modern view of history - apart from the pedantry of certain specialists - is a large view, subordinating the mere vicissitudes of dynasties and parliaments to those more fateful events which are the true milestones of civilisation. Clio has become an active goddess and her eyes range far. History is, of course, like all sciences, the quest for a particular kind of truth, but that word truth has been given a generous interpretation. The older type of historian was apt to interest himself chiefly in the doings of kings and statesmen, the campaigns of generals and the contests of parties. These no doubt are important, but they are not the whole, and to insist upon them to the exclusion of all else is to make the past an unfeatured Wilderness, where the only personalities are generals on horseback, judges in ermine and monarchs in purple. Nowadays, whatever we may lack in art, we have gained in science. The plain man has come to his own, and, as Lord Acton has put it, The true historian must now take his meals in the kitchen.
