Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

On Valentine s Day, February 14, 2013, God commenced delivering via me, his urgent warnings, commanding me to type his words and to send them out into all the world. God s words were clear to me in my inner senses, bypassing my ears, but at other times I would be seated at my PC keyboard, notice hours had passed, many pages were typed, but I was completely unaware of the passage of time and could not recall anything. I did not know what was typed. It was as if I had been asleep. God had taken me over. It was a very supernatural feeling. Many times God called me urgently to my computer, often he simply started talking and I had to rush to my computer and start typing. God s words became known as The Valentine Prophecies, because God chose to begin speaking on Valentine s Day. God told me to include sections about me and my life with him, to aid peoples belief. In May 2014, God began calling his words 2 Revelation, and instructed me to add chapters and verses to assist study and referencing by religious leaders, teachers and others drawn to study his words. God regards 2 Revelation as his love letter of warning to his children in the end-times, and the natural conclusion to Revelation found in...
