Stranger Danger - How to Talk to Kids About Strangers is a guide to help parents and caregivers of children ages 3-8 teach kids about strangers in a fun, interactive, and age appropriate way - without scaring them. Kids want and need to know what to DO in dangerous situations, but are usually only told to what NOT to do. (Dont talk to strangers; dont get in the car with strangers, etc.) Even the multitude of childrens picture books about strangers (most aimed at the 8-12 year old age group) often fail to teach kids what they CAN do if they find themselves confronted with a stranger. Stranger Danger - How to Talk to Kids About Strangers is different. It is a how-to book is for parents and caregivers of children ages 3-8. Using techniques developed over decades of teaching young children, author Kristi Porter takes into consideration the unique thinking, and learning styles of this younger age group, offering parents a new way to talk to their kids about strangers without scaring them. This easy to read, step by step guide gives parents age appropriate words and activities to use with even the youngest of children. Covering everything from who is a stranger, to when and how to fight back, Stranger Danger - How to Talk to Kids About Strangers is a must read guide for todays parents.
