Surviving Toxic Leaders: How to Work for Flawed People in Churches, Schools, and Christian Organizations (Paperback)

By Kenneth O Gangel

Wipf Stock Publishers, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Since Jean Lipman-Blumen's *The Allure of Toxic Leaders* shook the corporate world in 2005, countless articles, books, and Internet blogs have appeared on the topic. Despite such interest and response, no study of toxic leadership had appeared from a Christian point of view until this volume, Kenn Gangel's *Surviving Toxic Leaders*. Gangel begins by showing that toxic leadership existed throughout biblical history. Making generous use not only of biblical materials but also of contemporary leadership literature, Gangel names the causes and cures of power abuse, cheating, bullying, laziness, and dictatorial behavior in today's leaders. Readers will benefit from Gangel's leadership experience and expertise. He has been a pastor, a college dean (twice), and a college president. Gangel currently edits *The Seal*, a review of leadership literature. Practical and personal, *Surviving Toxic Leaders* abounds with stories of real people and their situations. Everyone who has ever had trouble at work will benefit from *Surviving Toxic Leaders*. What a great book! And what a needed book! It should be placed in the hands of every leader in America

Reviews

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication i have go through. I realized this ebook from my i and dad suggested this publication to learn.

-- Austin O'Connell

I actually started reading this publication. It is full of knowledge and wisdom You wont sense monotony at at any time of your respective time (that's what catalogs are for relating to should you check with me).
